Zinnia Wealth Management Selected to Gator100

GAINESVILLE, Fla. – Zinnia Wealth Management was named to the University of Florida's 2021 Gator100 during a special virtual ceremony on April 23.

The Gator100 recognizes the world's fastest-growing Gator businesses owned or led by UF alumni. Ernst & Young calculated each company's compound annual growth rate (CAGR) over the past three years to generate the ranking.

Zinnia Wealth Management specializes in personally helping families, individuals and businesses achieve wise financial stewardship. Our group concentration is on four essential retirement planning strategies: Protection of Your Health Care, Financial Security, Planning Your Estate, and Preserving Freedom of Choice.

We help make the most of your employer-sponsored retirement plans and IRAs. By determining how much you need to retire comfortably and managing assets before and during retirement, we can help you achieve a stress-free retirement.

To qualify for the Gator100, companies must have been in business for five or more years as of Oct. 30, 2020, and have had verifiable annual revenues of \$250,000 or more every year since 2017. Additionally, a UF alumnus or alumna must have met one of the following three leadership criteria:

1. Owned 50 percent or more of the company from Jan. 1, 2017, through Oct. 30, 2020; or
2. Served as the company's chief executive from Jan. 1, 2017, through Oct. 30, 2020; or
3. Founded the company and been active as a member of the most senior management team from Jan. 1, 2017, through Oct. 30, 2020.
